11 under the national campaign under subparagraph  
12 (A) shall include—

13              “(i) maintaining a supply of written  
14 materials that provide information to the  
15 public on gynecologic cancers, HPV, and  
16 HPV-associated cancers; and  
17              “(ii) distributing the materials to  
18 members of the public upon request.

19             “(C) PUBLIC SERVICE ANNOUNCE-  
20 MENTS.—Activities under the national cam-  
21 paign under subparagraph (A) shall, in accord-  
22 ance with applicable law and regulations, in-  
23 clude publishing materials in digital or print  
24 form, public engagement, and developing and  
25 placing public service announcements intended

1 to encourage individuals to discuss with their  
2 physicians—

3 “(i) their risk of gynecologic cancers  
4 and HPV-associated cancers; and

5 “(ii) the importance of HPV vaccines  
6 in preventing HPV and HPV-associated  
7 cancers.

8 “(D) TARGETED POPULATIONS.—Activities  
9 under the national campaign under subparagraph  
10 (A) shall include culturally and linguistically  
11 competent public service announcements  
12 and other forms of communication and public  
13 engagement under subparagraph (C) targeted  
14 to—

15 “(i) specific higher-risk populations of  
16 individuals based on race, ethnicity, level of  
17 acculturation, and family history, including  
18 African-American and Ashkenazi Jewish  
19 individuals;

2                         in assisting survivors of sexual assault; and  
3                         “(vi) such other communities as the  
4                         Secretary determines appropriate.

5                         “(2) CONSULTATION.—In carrying out the na-  
6                         tional campaign under this section, the Secretary  
7                         shall consult with—

8                         “(A) health care providers;  
9                         “(B) nonprofit organizations (including  
10                         gynecologic cancer organizations and organiza-  
11                         tions that represent communities and individ-  
12                         uals most affected by HPV-associated cancers  
13                         and low vaccination rates);

14                         “(C) State and local public health depart-  
15                         ments; and

16                         “(D) elementary and secondary education  
17                         organizations and institutions of higher edu-  
18                         cation.

19                         “(3) DEMONSTRATION PROJECTS REGARDING  
20                         OUTREACH AND EDUCATION STRATEGIES.—

21                         “(A) IN GENERAL.—

22                         “(i) PROGRAM.—The Secretary may  
23                         carry out a program to award grants or  
24                         contracts to public or nonprofit private en-  
25                         tities for the purpose of carrying out dem-

onstration projects to test, compare, and evaluate different evidence-based outreach and education strategies to increase the awareness and knowledge of women, their families, physicians, nurses, and other key health professionals with respect to gynecologic cancers, including with respect to early warning signs, risk factors, prevention, screening, and treatment options.

**“(ii) SCIENCE-BASED RESOURCES.—**

In making awards under clause (i), the Secretary shall encourage awardees to use science-based resources such as the Inside Knowledge About Gynecologic Cancer education campaign of the Centers for Disease Control and Prevention.

“(B) PREFERENCES IN AWARDING GRANTS  
CONTRACTS.—In making awards under sub-  
paragraph (A), the Secretary shall give pref-  
erence to—

“(i) applicants with demonstrated expertise in gynecologic cancer education or treatment or in working with groups of women who are at increased risk of gynecologic cancers; and

1                         “(ii) applicants that, in the demon-  
2 stration project funded by the grant or  
3 contract, will establish linkages between  
4 physicians, nurses, other key health profes-  
5 sionals, health profession students, hos-  
6 pitals, payers, and State health depart-  
7 ments.

8                         “(C) APPLICATION.—To seek a grant or  
9 contract under subparagraph (A), an entity  
10 shall submit an application to the Secretary in  
11 such form, in such manner, and containing such  
12 agreements, assurances, and information as the  
13 Secretary determines to be necessary to carry  
14 out this paragraph.

15                         “(D) CERTAIN REQUIREMENTS.—In mak-  
16 ing awards under subparagraph (A), the Sec-  
17 retary shall—

18                         “(i) make awards, as practicable, to  
19 not fewer than five applicants; and

20                         “(ii) ensure that information provided  
21 through demonstration projects under this  
22 paragraph is consistent with the best avail-  
23 able medical information.

24                         “(E) REPORT TO CONGRESS.—Not later  
25 than 24 months after the date of the enactment

1           of the PREVENT HPV Cancers Act of 2021,  
2           and annually thereafter, the Secretary shall  
3           submit to the Committee on Energy and Com-  
4           merce of the House of Representatives and the  
5           Committee on Health, Education, Labor, and  
6           Pensions of the Senate a report that—

7                 “(i) summarizes the activities of dem-  
8                 onstration projects under subparagraph  
9                 (A);

10                “(ii) evaluates the extent to which the  
11                projects were effective in increasing aware-  
12                ness and knowledge of risk factors and  
13                early warning signs in the populations to  
14                which the projects were directed; and

15                “(iii) identifies barriers to early detec-  
16                tion and appropriate treatment of such  
17                cancers.

18                “(4) AUTHORIZATION OF APPROPRIATIONS.—  
19                For the purpose of carrying out this subsection,

1 there is authorized to be appropriated \$25,000,000  
2 for the period of fiscal years 2022 through 2026.”.

Passed the House of Representatives November 30,  
2021.
